ABOUT US

Progressive Education Society, Pune - 5

Late Guruvarya Shankarrao Kanitkar founded Progressive Education Society in 1934 with a great foresight. He was the inspiration to members who joined hands with him in implementing the idea of starting a new era of education system in Pune. The Society progressively bloomed in the hands of Dr. Gajanan R. Ekbote, Chairman, Business Council, Progressive Education Society, Pune - 5. He is an eminent surgeon and an able administrator who leads 58 Educational Institutes under the aegis of Progressive Education Society including schools, colleges, Professional Colleges and Management institutes etc. Modern and Progressive are the two important features of the Progressive Education Society.

About the College:

Modern College of Arts, Science and Commerce Ganeshkhind, Pune - 53.

In a short span of twenty years, the college has made remarkable progress. Besides UG and PG courses in various disciplines, the college runs a university approved Research Centre to pursue M.Phil and Ph.D degrees. Several Certificate and Diploma Courses giving modern education are conducted in the college. The college is the recipient of the prestigious "Best College Award" of University of Pune in 2009 and accredited by NAAC with 'A' Grade in 2011.

The College has received "Star College" status under a scheme sponsored by Department of Biotechnology, Govt. of India, New Delhi and DST-FIST Grant from Department of Science & Technology, Govt. of India New Delhi.

Faculty of Commerce:

The Faculty of Commerce was established in 1992. It offers undergraduate programme B.Com with specialization in Business Entrepreneurship, Banking and Finance, Cost and Works Accounting, Marketing, and postgraduate programme M.Com, with specialization in Advanced Auditing and Administration. The Faculty also runs professional courses like BBA, BCA and MCA (Commerce).

The Faculty strives to develop the overall personality

of the students along with academics, by organizing various activities. "Commerce Horizon" a in-house magazine, Hands on Training Programme, Presentations, Seminars, Quiz, Career Fairs, Exhibitions and Industrial visits & training programs. The Faculty has been taking special efforts to promote entrepreneurial spirit amongst students and has established an Entrepreneurship Development Cell. Commerce faculty adopts innovative pedagogical practices aided by ICT. Students of the faculty have been performing remarkably well in academics, sports & cultural spheres. The alumni from commerce stream are well placed in various fields and some are running their own business. The Faculty has been encouraging the practice of active involvement of its alumni in various faculty endeavors.

Conference Overview

"If you want to succeed, you should strike out on new paths rather than travel the worn paths of accepted success" - John D. Rockefeller.

The Seminar intends to provide a platform to the commerce teachers to comprehend and deliberate new avenues of entrepreneurship. It aims to be a knowledge forum for these teachers for sharing and expanding their knowhow on recent trends in entrepreneurship, new entrepreneurial challenges & skills required to be successful as an entrepreneur. It plans to discuss unique models of capitalist and social entrepreneurship. And above all it endeavors to stimulate new ideas among participating teachers through deliberations and discussions on developing an entrepreneurial perspective amongst their students, to enable them to become the contributors to a successful and sustainable economy. This Conference will endeavor to translate research in to real life applications.

Objectives of the Conference

- To understand new evolving trends in entrepreneurship.
- To discuss role of entrepreneurship in inclusive growth & economic development.
- To deliberate upon the relevance of developing entrepreneurial approach.
- Sharing knowledge and developing synergy with academia, Industry experts and potential researchers.
