

All M.Sc.(I) Organic Chemistry students are hereby informed to attend the schedule from **1st August 2017 at 2.00 pm**. Sincerity and regularity of each student is expected throughout the M.Sc. course. **Minimum 75% of the attendance is compulsory as per the Savitribai Phule Pune University circular 23 of 2010**. Also for every absentee, student must inform the class In-charge in advance. Every student must appear for the **weekly internal assessment** which is a compulsory part of the course. Daily, students must have a look at the notice board in the Chemistry department for the related notices and assignments.

- Every student must arrange following things to meet the need of the course.

1) Separate note book for writing notes of each theory and practical course.

Four theory course of semester I + four theory course of semester II	Eight note books of 200 pages A-4 size
Three practical courses	Three notebooks of 300 pages of A-4 size.

2) 1 rim of Full scape papers for the assignment submission.

3) **Writing material**:- Pen with only blue or black ink, 0.5 mm thick lead pencil with HB or 2B type lead box, eraser, 30 cm scale, Scientific calculator, small stapler machine with pins, small glue stick, blue ink permanent marker pen, Small diary with dates.

4) White coloured lab coat, shoes covering complete foot, hand wash and rough cloth are compulsory in the laboratory for the safety purpose.

5) Occasionally; spirit lighter, rubber gloves, mask and safety goggles are needed in the laboratory.

6) Long hair must be tied properly during the laboratory hours.

- M.Sc. course is a choice based credit system. It includes 50 marks assessment from the college and 50 marks assessment from the University for each Theory Course.
- For the 50 marks assessment from the college, there will be periodic tests as per the internal assessment time table.
- For the another 50 marks assessment from the university, students have to fill the examination form and appear for the written test at the end of the term as per the time table displayed by the university.
- The internal assessment of each practical course will be done after every practical and a test will be conducted after the completion of all the practicals. There are separate marks for the laboratory notebook and journal.
- University practical examination will be conducted at the end of the year.
- The **weekly schedule** includes batch wise 4 hours practical for three days in a week, total 16 hours theory course lectures and one internal assessment per week.
- In addition, students are also encouraged for the extracurricular activities such as projects, science exhibition, participation in intercollegiate competitions, sports and cultural events etc.
- Separate record of defaulter students is maintained and necessary action is taken against it.
