### Invitation

### Dear Participants,

It gives us immense pleasure in sending you warm and cordial invitation on behalf of our college to participate in one day National Seminar and student's centric activity 'Geo-Jatra' on 'Application of GIS and RS on Environmental Issues' to be held on 31st Dec 2016. We hope that your gracious presence and active participation of your students will help us to make the seminar successful.

# About the Society, College and Department

Progressive Education Society is established in 1934 by Shankarraoji Kanitkar & prominent teachers and experts in educational field. He was a freedom fighter and a member of Pune Municipal Corporation for 20 years. He was President for Pune Municipal Corporation for one year. Presently there are 53 Educational Institutesconsisting of Schools, Colleges Professional Colleges, Management Institutes, Computer Center, etc. Progressive Education Society's Modern College of Arts Science and Commerce, Ganeshkhind came into existence in 1992. With the picturesque Chatushrungi Hills in the backdrop, the college is located exactly opposite the Pune University. Instituted with the avowed aim of imparting quality education to students hailing from diverse socio-economic background and those living in and around Pune city, the college has shown exponential growth in a short span of 25 years. With a unique blend of traditional and need-based courses to offer, the college today is one of the fastest growing colleges of Pune and a most preferred destination for students - local, national and international. Spread over an area of 3.5 acres, it offers a complete and satisfying educational experience to over 4500 students with its well furnished laboratories and library. Young, enthusiastic and dynamic staff with a flair for innovativeness and creativity in teaching coupled with a friendly and helpful attitude of the support staff add value to the institution. Department of Geography was established in 1992. This is well equipped with advanced equipments and instruments. The department has glorious history of meritorious students and students' centric activities like study tours, trekking, movie screening, nature trail, study visits etc.
