Specific facilities provided for women on the campus:

We ensure access to required services in routine college hours on the campus and create inclusive infrastructure.

Institutional infrastructure provides Girls rest room and washrooms with adequate water facility and sanitary napkin kits. With each washroom there is some private space. Keeping hygiene is an essential concern, we take adequate measures to maintain the same.

With seventy percent women staff, these facilities are extended to other staff members as well.

We have retiring room with paramedical support and college vehicle to reach primary health care centre in SPPU campus and is located hundred meters from our college.

Security aspect is another part of infrastructure which can provide a safe place to explore, engage and attain knowledge and use full potential. Campus is well protected by compound walls and security guards. Each corridor, passage and laboratory have CCTVs and there are large display screens to keep a tab on unwanted activities.

We constituted a 'Grievance redressal cell' headed by the principal to address any complaint or issue on the campus. We are committed to follow guidelines prescribed for the educational institution. Anti-sexual harassment cell with gender experts is in place.

The Anti-Ragging Committee ensures students' participation so all unheard voices must be heard.

On college campus we have active 'Counselling Cell' run by experienced Clinical Psychologists.

For the time of need, in the campus all-important phone numbers displayed on prominent places.
