**Subject: - Gratitude for arrangement of Internship Programme for TYBCOM Students**

Respected Sir,

Savitribai Phule Pune University has introduced 'Internship Programme' for Third Year B. Com. Students in its revised syllabus to make the students knowledgeable with respect to various banking operations.

During the internship program (**3<sup>rd</sup> Jan to 31<sup>st</sup> Jan 2022**) at various branches of your esteemed organisation our **102 students** got an opportunity of hands-on training and experience to understand the various areas of operational banking. The internship effort has supported us to enhance the employability of students.

Our students are very happy and satisfied with the knowledge and support given by your bankers of **13** various branches to gain the knowledge during the internship program.

We look forward to a mutually rewarding academic association with your organisation for internship programme in coming future.

**Subject: - Gratitude for arrangement of Internship Programme for advanced learners**

Respected Sir,

Our college is having Future Bankers Forum working to make the students aware and knowledgeable with respect to various banking operations. We have organised Internship program for the advanced learner's students of second year BCOM.

During this internship program at various branches of your esteemed organisation our 17 students got an opportunity of hands-on training and experience to understand the various areas of operational banking. The internship effort has supported us to enhance the employability of students.

Our students are very happy and satisfied with the knowledge and support given by your bankers of various branches to gain the knowledge during the internship program.

We look forward to a mutually rewarding academic association with your organisation for internship programme in coming future.

Thank you.  
Sincerely,
