

Feedback Report (2019-20)

Students have filled online feedback on overall college activities as well as teaching and learning process. Analysed feedback report of each teacher related to quality of teaching is mailed to them for further improvement.

Report is prepared based on the feedback collected from the students of Arts, Science and Commerce faculty. It is arranged based upon the suggestions given by the students related to the syllabus, administration of the college, activities and facilities available for them in the college premises.

➤ Syllabus related suggestions:

- B.A :
Students want Political Science subject for specialization.

Overall college feedback

Suggestions on

➤ Campus requirements:

- Clean washrooms
- Clean classrooms
