**Subject:** Request to conduct an awareness campaign on Suicide Prevention at the school campus for the Junior College students on 14<sup>th</sup> September, 2018 and gratitude for the same.

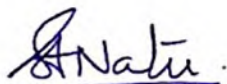

Dear Madam,

We at the Department of Psychology, Modern College, Ganeshkhind, have been conducting a Suicide Prevention Drive for the last three year on 10<sup>th</sup> September which is World Suicide Prevention Day. Each year the response we receive from students and faculty is encouraging and positive, thus this year we have decided to include the neighboring campuses as well.

We would like to request you to allow our students to come to the campus and address the Junior college students about Suicide and speak about how suicide is preventable. The students will be carrying Posters and will present matter to create awareness about causes of suicide and how it can be prevented.

The activity is scheduled on 14<sup>th</sup> September, 2018. The students can visit the campus at a time suitable to you. This initiative will spread awareness amongst the students and help address a grave issue which needs to be highlighted.

Thank you for your cooperation and support. We hope to continue this endeavor in the future too. Thanking you once again.

## DEPARTMENT IN THE NEWS

### Students bust myths about mental health and sexual orientation at this college fest

Modern College of Arts, Science and Commerce recently organised a psychology festival, Psy-World, to address the issue of mental health and acceptance of the LGBTQ+ community. By combining the two sensitive topics, students tried to address and bust various myths.

"The main challenge lies in making people aware that sexual orientation isn't a mental disorder or a phase that will get over with time. The most important stigma that we face is people asking for a cure for sexuality. Apart from sex education in schools, students should be educated about the LGBTQ+ community as well. Only then will we take a step towards acceptance," said Ishita Shinde, a third-year BA psychology student.

Psy-World saw students from other colleges in attendance too. "The fest was open to all and was aimed to bring a slice of psychology to the participants through various activities," said Priyanka Radani, a faculty of the psychology department.

Students of the department made sure everyone understood the depth of the topics and enjoyed too. Games that were based on identifying gender stereotypes portrayed in Bollywood songs were a major hit. Here, the participants were given cue cards with songs written on them and they had to guess whether the song was gender biased or not.

Another attraction at the festival was the dance movement therapy session. Aishwarya Bhujkar, a second-year psychology student, said, "We made arrangements for

Glimpses from the festival

the interface wherein participants had to copy moves that were on a screen. Since all the attention is towards the screen, we hardly give attention to the people watching. Such therapy builds confidence in a person."

Dr. Sudhana Naidu, HoD, psychology department, who has been organising this fest for the past four years, encouraged students to talk about mental health.

# **Youth And Mental Health – Urban, Rural And Fringe Realities**

**Dr. Sadhana Natu**

*(Associate Professor, Department of Psychology, Modern College, Ganeshkhind, Pune)*

## **Introduction: Demographic dividend or demographic time - bomb?**

Youth has been touted as India's Demographic Dividend which will yield us rich results. But if we decode this, we realize that there are many issues that might convert this dividend into a time bomb leading to disaster.

The first issue is Higher Education where a UGC Report of 2013 places Gross Enrolment Rate (the number of young adults entering the portals of Higher Education) at a mere 15 %. 85% youth have no access to higher Education thereby creating skill deficit and lack of employability. So on one hand we have passed the Right to Education Act, creating a somewhat level playing field in primary education, a huge number of marginalized youth have little or no access to Higher Education.

Of those that are educated a mere 38.6% manage to become employable (NSSO, 2013) without jobs, the young are finding it difficult to survive and this joblessness is leading to social conflict among other things. Employability is related to access to education that is skill based and even after 67 years of freedom we are yet to create a system of Higher Education where both critical thinking and employability skills are embedded.

This brings us to the mental health of young adults – lack of education and unemployment are definite causes of depression, which in turn leads to suicide. Rates of Suicides amongst youth have gone up the world over, and it is predicted, that many of them will be from India. India has one of the highest 15-29 age group suicide rates in the world (WHO, 2014)

In the year 2000, University Grants Commission made it mandatory for colleges and universities to have counselling centres on their campuses. But most of these have remained

either on paper or are not functional. The poorly developed mental health service on campuses is a definite cause for concern.

### **Spiralling Suicide Statistics:**

National Crime Report Bureau data of 2013 shows that, there has been an increase of 23.6% in suicide deaths in Pune city. We do not have enough data from rural areas to say anything conclusively. Data from other states however, shows that number of suicide deaths in rural areas is twice that of urban areas.

Studies conducted by Pune based NGO Connecting, which also runs a suicide prevention helpline delineate life style, competition, Rising Expectations of parents and society, Relationship Issues, Emotional problems,, Financial Issues, Depression and marital issues and divorce as causes of suicide in urban Pune.

A study of youth suicides in Purandar taluka conceived and commissioned by MASUM, a renowned people's organization working on health rights that I undertook showed that rural Pune has also been marked by a spiraling of suicide figures. It is a complex socio cultural matrix where the youth from rural and fringe areas of Pune are grappling with their geographical location ( a village, taluka or the fringe areas of Pune city which can be called semi-rural or semi- urban) and the aspirational goals that education is making it possible for them to posit.

In fact the lines between what once constituted 'rural' and 'urban', have become blurred in contemporary times. The internet and social media have in some ways become equalizers and levellers. Connectivity has reached most of the villages and I could see a lot of rural youth accessing the internet and using social media interface. Hence it was not surprising that there were many common sources of anxiety among the youth in urban and rural areas.

Most importantly, youth from rural and fringe areas are studying in Pune city and this number has increased over the years. Many of the affiliated colleges in Pune city are now catering to students from the hinterlands of Maharashtra and rural Pune. These youth are sharing the same space that city youngsters inhabit. This has led to many sub cultures within college campuses, sometimes not intersecting at all!

It is against this backdrop that I would like to briefly interrogate the sites of family, external factors and higher education.

Family in India has always been the 'hoary chestnut' and the way parent and young adult relationships are getting configured, needs to be re-examined. On one hand the expectations from young adults about performance and academic achievement remain, on the other they are getting further confounded by the myth of choice being created by a neo liberal economy. This has put considerable pressure on the young. The contestations while choosing a career and a life partner continue unabated.

An impressionistic survey revealed that young adults are not closest to their parents or peers, but to 'themselves'. This makes the notion of an 'atomic individual' a near reality! The new dyad for today's 'digital native' is Internet and I, Social media and I and Selfie and I. They have an intimate relationship with the cyber world itself. Interpreting the repercussions of this phenomenon is indeed a challenge for psychologists and sociologists alike.

Therefore our new research on youth and mental health will have to take into account this changed reality and that too, not by labelling the young as 'anti-social' or 'alienated' but by carefully deconstructing this alternate universe that they ( and many adults of various ages too) inhabit.

If we analyse the external factors such as resources, cultural and social capital and assimilation, we find that most of the youth coming to cities from rural and fringe areas are at a marked disadvantage. The rural as well as the urban poor do not possess the material wealth to compete with their urban peers for buying branded possessions like clothes, accessories, gadgets etc. This leads to low self- esteem, low self -worth and for some to depression.

They also do not possess the cultural and social capital that can gain them an entry into a consumerist life style (malls, multiplexes, gaming, high end restaurants) which they clearly see their urban counterparts enjoying. This underscores the feeling of worthlessness. What follows is a desperate bid to become a part of the 'urban in -group. But assimilation and acculturation into the urban milieu are far from their grasp.

The last site that I am interrogating is Higher Education which further augments structural inequalities – with elite, middle of the road and fringe colleges that are signified by their very location.

The demographic profile of students in College campuses has changed in the last ten years. Gone are the days of the homogenous classroom and campus, with middle, upper middle class and upper class students (especially in the elite and ivy- league institutions). The campuses are full of a lot of urban and rural poor and Dalit and bahujan students, from various states in India, various parts of and students from foreign countries. Dealing with this linguistic, class, caste and regional diversity is indeed a challenge that many teachers are not equipped to take up. Many a times they end up 'privileging the privileged' and not questioning privilege.

With a lot of courses being out of reach and out of pocket for the poor a lot of career dreams crash before they find fruition. The support structures for rural students are very few and the so called competitive examinations (IITJEE, MPSC, UPSC etc) once again remain the preserve of a chosen few. All in all there is no equality in higher education and this is detrimental to the psyche of many young adults.

In the end, I would like to share the experience of DISHA the Psychology study circle, a group that I have facilitated for the last 20 years in my college. It is a peer support and speaks- out group which respects diversity and difference that helps to build bridges and create an organic community on the campus.

The members are from Pune, other parts of Maharashtra, other states in India as well as those from other countries. There are first and second generation learners as well as well to do students. It is a truly inclusive group. This aspect is both a challenge and the strength of the group.

**Disha's philosophy is:** It is a gender-just, secular, non- discriminating (on the basis of language, religion, caste and class) humane platform (these are the specificities that most mainstream psychologists and psychiatrists rarely go into) that allows dialogue, debate and dissent. It also creates a space for friendships, bonding and nurture. The commonalities and differences help to embrace 'multiple realities' which in turn help to look at life, issues and conflicts in a new light.

The model that we follow is: peer support, peer learning, learning resilience by experiential learning, feminist counselling (my practice) and empathetic listening and verbalizing in group discussions, role plays and writing for our student journal KALEIDOSCOPE.

In Disha, we have chosen to build a collective where speaking out, venting, listening, solidarity have helped to deal with issues related to the self, interpersonal relationships and other mental health issues. The fact, that there is so much diversity in the group, that it makes the engagement so much more real and strong. Perspectives get built and the youngsters choose for themselves and take ownership of Disha.

**Conclusion :** The way ahead would include dialogue, conversation and collaborations amongst those working for and with young adults in various domains and in various ways.

# दिशा : एक उन्मुक्त संवाद !

मॉडर्न महाविद्यालय, गणेशखिंड येथील  
दिशा ग्रुप. दिशा ग्रुप मानसशास्त्र  
मंडळातर्फे गेल्या २० वर्षांपासून सुरू आहे.  
तो सर्व विद्याशाखेच्या विविध भाषिक  
विद्यार्थ्यांना खुला आहे. दिशामुळे समृद्ध  
झालेलं अनुभव विश्व या लेखातून  
विद्यार्थ्यांनी उलगडलं आहे.

सगळी महाविद्यालय वेगळी ओळख जपून असतात आणि काही स्वतःची नवी ओळख तयार करून घेत आहेत. आमचं मॉडर्न महाविद्यालय गणेशखिंड अनेक कारणांमुळे ओळखलं जातं त्या कारणांपैकी एक म्हणजे 'दिशा'.

'दिशा' एक अशी जागा जिथे आम्ही एकत्र येतो, तरीही आम्ही काही गोष्टींवर सहमत नसतो. आपली ओळख अनेकदा आपण विसरून जातो आणि दुसऱ्याचे विचार कळत-नकळत स्वतःवर लादून घेत जातो. आपली स्वतःची मतं मांडण्याची संधी दिली आहे दिशाने. मानसशास्त्र मंडळातर्फे सुरू असणारा पण सगळ्या विद्याशाखेच्या विद्यार्थ्यांसाठी खुला असणारा 'दिशा ग्रुप' गेली वीस वर्षे सुरू आहे. बरं का, कोणी चालवत नाहीये. विद्यार्थी दिशामध्ये येतात. चर्चा करतात. अगदी एकूण एक गोष्टींवर त्या गोष्टींच्या सकारात्मक बाजूंपासून ते नकारात्मक पर्यंत तेवढ्याच तळमळीने आणि तेवढ्याच प्रखर विचारांच्या साहाय्याने चर्चा होते. एका चर्चेचं उदाहरण घेऊयात, की तुम्ही तुमची नाती जपता का? बहुतेकांची उत्तर हो अशी होती पण काही जण असंसुद्धा म्हणाले की, "नाती कसली, ती आता old fashion झालीयेत. आपलं मैत्र हवं." हा विचारांचा वेगळेपणा तसाच भाषांचासुद्धा. दिशामध्ये अनेक प्रांताचे अनेक भाषातील विद्यार्थी दिशात येतात.

दिशामध्ये आम्ही या वर्षी अनेक गट चर्चा केल्या जसे LGBTQ, आपली नाती, माध्यमांचा प्रभाव इ. तसेच काही गोष्टी या दिशामध्ये दरवर्षी न चुकता होत असतात. त्यातील काही

म्हणजे अनेक सामाजिक संस्थांना भेटी देण्यात येतात. म्हणजे मुलांना कळेल की आता आपल्या समाजाला कशाची गरज आहे. मुलींसाठी-मुलांसाठी समुपदेशन होतं, गटचर्चा होतात, समाजकार्यात सहभागी असणाऱ्या माजी विद्यार्थ्यांबरोबर संवाद साधला जातो.

आजकाल एक (गैर) समज आहे की, आम्ही तरुण मुलं लिहीत नाही किंवा खूप कमी लिहीतो पण असं दिशामध्ये नाही होत. इथे मांडलेला प्रत्येक विचार योग्य प्रकारे लिहीला सुद्धा जातो आणि या सगळ्या विचारांचा एक लेखसंग्रह म्हणजे 'कलायडोस्कोप'.

कलायडोस्कोप हे आम्हा विद्यार्थ्यांचं नियतकालिक आहे. कलायडोस्कोप म्हणजे चित्रदर्शी कलायडोस्कोप जसा आपण फिरवू तसे वेगवेगळे आकार दिसतात. तसेच एक थीम घेऊन त्यावर विद्यार्थी खूप वेगवेगळ्या दृष्टिकोनातून विचार करून लिहितात. त्यामुळे एकाच विषयाचे अनेक पैलू समोर येतात. मुलांना एकतर एखाद्या विषयाला किती बाजू असतात आणि त्या कशा असतात हेही माहीत नसतं. कलायडोस्कोप वाचल्यानंतर आम्हा विद्यार्थ्यांचा दृष्टिकोन वृद्धिंगत होतो.

या वर्षी कलायडोस्कोपचा सातवा अंक प्रकाशित झाला. या अंकाची थीम 'जीवनाची दिशा शोधताना' अशी होती. या विषयावर विद्यार्थ्यांनी काही स्वतःचे अनुभव लेख, कविता, मुलाखती इ. प्रकारे लेखन केले. अंकाचे प्रकाशन प्रसिद्ध मानसशास्त्रज्ञ डॉ. अलका वाडकर आणि सामाजिक कार्यकर्त्या साधनाताई दधिच यांच्या उपस्थितीत झाले. काही विद्यार्थी मोकळेपणाने बोलू शकत नाहीत. मात्र लेखनातून ते आपले विचार खूप चांगल्या प्रकारे मांडू शकतात. त्यासाठी कलायडोस्कोप हे एक चांगले माध्यम आहे.

कलायडोस्कोप, दिशा ही सगळी साधनं आहेतच पण या सगळ्यांमधून गटचर्चा करणं हा सुद्धा एक उद्देश होताच. गटचर्चेत प्रत्येकजण आपलं त्या विषयावरच प्रामाणिक मत इथे मांडतो त्याला काय वाटतं त्या विषयावर हे इथे व्यक्त करतो.

लैंगिकता हा सुद्धा एक दबक्या आवाजात चर्चिला जाणारा विषय पण इथे दिशा-गटचर्चेत हा आम्ही मोकळेपणाने चर्चेत घेतला की, Homosexuality ही सगळ्यांनीच वाईट ठरवलीये पण ती एक स्वाभाविक प्रक्रिया आहे तुमच्या मनात होणारी आणि

त्याचा आदर हा व्हायलाच हवा. पण अशा व्यक्तींना आपण Gay, Lesbo असं म्हणून सरळ झिडकारतोच ना? हे करणारे आपण कोण? त्यांना जर त्यांच्या लैंगिकतेची लाज वाटत नसेल तर त्यांना शर्म वाटून देणारे आपण कोण? हा असा एक वेगळाच पैलू दिशामध्ये मांडला गेला आणि फक्त मांडला गेला असंच नाही पण तो विषय प्रत्येकाच्या Point of view म्हणतो ना आपण त्याद्वारे मांडला गेला. की Gay किंवा Lesbian असणं म्हणजे कोणी परग्रहवासी असणं नव्हे ना... त्या विशिष्ट भावनेचा आपण आदर राखलाच पाहिजे. शेवटी ते सुद्धा आपल्यासारख्याच व्यक्ती ना... हे दिशामध्ये मांडलं गेलं. फक्त लैंगिकताच म्हणता येणार नाही पण तुमच्यातल्या प्रत्येक भावनेचा आदर इतरांनीसुद्धा केला पाहिजे आणि त्यांचा विरोधसुद्धा तुम्हाला करता यायला हवा.

प्रत्येक नाणं हे एकाच धातूपासून बनवलं असलं तरी त्याच्या दोन्ही बाजू ह्या वेगवेगळ्याच असतात. आणि त्या दोहोंचा तुमच्याकडून विचार व्हायला हवा हे आम्हाला समजलं जेव्हा विषय घेण्यात आला 'प्रेम'! तसा हा विषय अनेकदा समोर येतोच पण जेव्हा आम्ही सगळ्यांनी यावर चर्चा केली तेव्हा शारिरीक आणि मानसिक गरजा भागवण्यापलीकडेसुद्धा या प्रेमाचा संबंध असतो हे समजलं आम्हाला. त्याचबरोबर तुम्ही तुमच्यातल्या स्त्रीपेक्षासुद्धा त्या स्त्रीत्वाचा आदर करायला हवा अगदी प्रत्येक स्त्रीनेसुद्धा आणि पुरुषानेसुद्धा !

'माध्यम' हा असाच एक विषय प्रत्येक माध्यम हे तुमच्यापर्यंत हवी असणारी माहिती पोहोचवत पण सध्याच्या जगात या माध्यमांचं बदलत जाणारं स्वरूप हा असाच एक विषय. जनतेसाठी माध्यम आहेत की माध्यमांसाठी आपण या बदलही चर्चा झाली आणि अनेक नव्या कल्पना व नवे प्रश्न आम्हाला सापडले.

आपण सगळे एकएकटे जरी जगत असलो तरी आपण प्रत्येक जण कोणत्या ना कोणत्या नात्यांमध्ये बांधले गेलेलो असतोच. मग ह्या तरुण वयापासूनची आपल्या स्वतःच्या नातेसंबंधाविषयी होणारी गोची म्हणूयात किंवा ही अशीच का आहेत. असे आपल्याला पडणारे प्रश्न हे आपल्या एकट्यालाच पडत असतात असं नाही. बहुतेकजण याचीच उत्तरे शोधत असतात. हे सगळ्यांना कळालं याचं कारण दिशा आणि त्यामध्ये होणाऱ्या गटचर्चा. दिशा हा आधार गट म्हणून काम करतो व इथे विद्यार्थी एकमेकांकडून

शिकतात. शहरी-ग्रामीण, प्रांतीय, जात, धर्म हे अडथळे न बनता, सेतू बांधले जातात. दिशा व कलायडोस्कोप सामाजिक परिवर्तनाचे वाटसरू म्हणून काम करतात.

दिशामधील काही मैत्रिणींच्या आणि मित्रांच्या या प्रतिक्रियां.

**दिपाली (तृतीय वर्ष कला शाखा) :** दिशामध्ये आम्ही ऐकणं, बोलणं याचबरोबर एकमेकांना समजून घ्यायला शिकलोय. दुसऱ्याचा आदर करण्याबरोबरच त्याला जरूरीचा विरोधसुद्धा आम्ही करायला शिकलोय. एकूणच काय आम्ही इथे अभिव्यक्त व्हायला शिकलोय. दिशाबरोबरच कलायडोस्कोपनेसुद्धा खूप काही दिलंय, जसं Listening Skills, Writing skills जे नक्कीच पुढच्या आयुष्यात मला उपयोगी पडेल.

**पराग (प्रथम वर्ष कला शाखा) :** मी तसा चळवळ्या. तसंच मला इथे येऊन समजलं की, माझ्या मताला इथे किंमत आहे. इथे माझ्यात असणाऱ्या प्रामाणिक गोष्टींचा आदर होतो. अगदी प्रामाणिकपणे होतोय हे मला आवडलंय आणि माणूस तिथेच रमतो, जिथे बंधनं नसतात. दिशामध्ये नाहीयेत अशी बंधनं. त्यामुळे आम्ही सगळे मोकळेपणाने इथे व्यक्त होतो, वाद-विवाद करतो तरीही एकत्र आहोतं ते दिशामुळे.

**विजया (कला प्रथम वर्ग) :** मी आले ती पार्श्वभूमी अशी जिथे मुलींचे शिक्षण घेणं वगैरे ह्या दुय्यम गोष्टी होत्या. तसेच मुलींचं मुलगांशी बोलणं या गोष्टींचा तर मी तेव्हा विचारही करू शकत नव्हते आणि J.R. ला आल्यावर माझी दिशाची ओळख झाली. तेव्हा मुली-मुलगे इथे एकत्र येऊन एवढं काही करताहेत हे पाहून आश्चर्य तसंच बरं सुद्धा वाटलं. हे कारण होतं मी दिशामध्ये यायचं की मला माझं स्वतःचं आकाश शोधायला मदत मिळालीये.

**केतन (तृतीय वर्ष वाणिज्य) :** मी १२ वी नंतर सायन्स सोडून कॉमर्स घेतलं आणि तेव्हा मी J.R. ला असताना मला दिशाबद्दल समजलं. खरं तर हा मानसशास्त्र मंडळाचा गट पण तरीसुद्धा मी इथे रमलो कारण प्रत्येकाचे प्रॉब्लेम हे सारखेच असतात. त्यांना वाट मिळण्याची संधी हवी असते आणि ती मला इथे दिशाने दिली. तसे आपण सगळीकडेच व्यक्त होत असतोच की facebook, whatsapp च्या रूपात पण इथे दुसरेसुद्धा आपल्यासारखंच व्यक्त होतात हे समजलं.

**ऋतुजा (प्रथम वर्ष वाणिज्य) :** हे माझ पहिलंच वर्ष या

Respected Sadhana Madam,

Sub: Request time for facilitating preliminary discussion on setting up a peer support system in an educational Institution

As you know, we have been working in collaboration with the department of Psychology, Abeda Inamdar Senior College, Azam Campus, Pune. In the past SY and TY BA Psychology students of the college have volunteered with us by providing support counseling sessions to adolescent girls. In addition, last year, we conducted 4 modules on Non Formal Psychosocial Caregiving and Inclusion training with the students. Over the past 3 years the collaboration has reached a comfortable position to discuss the setting up of a psychosocial support centre within the campus. A counseling cell does exist within the Institution, however, it needs to be revived.

Knowing from the work you and your team did in setting up Disha at Modern College, we would like to learn from you strategies, methods, ideas and innovations in setting up a similar system for Abeda Inamdar. The HOD, Department of Psychology, Ms Anjali Kedari is very excited about the idea and has ensured complete co-operation from her side to make this happen.

Please consider this as an invitation to come in as a consultant for us and Anjali Kedari Madam in this regard. We are able to provide you with travel reimbursements on actual, against supporting documentations, in appreciation of your time and contributions.

We are certain about this being a mutually learning and beneficial interaction.

Thankyou.

Dear colleagues,

Thank you for agreeing to review the WHO QualityRights training and guidance materials. In order to facilitate the review process we would like to highlight the following:

1. You can submit a Word document with your comments on the materials. You do not need to provide comments on each individual document directly.
2. We have replaced the PDF files on the review platform with 'Word' versions of the documents for those people who would like to make comments directly on the documents in 'tracked' changes or through the 'comment' function available in word.
3. There is no need to provide editorial comments (eg. typos, grammatical errors etc.) as the materials will be thoroughly edited once finalised.
4. Please upload your comments on these documents to the [review platform](#) directly (either in a separate document or using the original file with tracked changes), rather than sending us the files directly.

Please send us an email if you experience any difficulties in accessing the [review platform](#) site, downloading the materials or uploading your comments.

We look forward to working with you and receiving your comments.

Thanking you in advance for your time and efforts.

Best wishes, Michelle

## Global Online Launch Event

**Tuesday 12 April 2022 (15.00 to 16.30 CET)**

*A mindset revolution in mental health can be achieved globally*

We are pleased to invite you to the **Global Launch of the WHO QualityRights e-training to advance mental health, eliminate stigma and promote community inclusion**, on **Tuesday 12 April 2022, 15.00 to 16.30 CET**.

There is global consensus that prevailing attitudes and practices need to be transformed on a massive scale to advance mental health. However, in countries across the world, whether low, medium or high-income, the collective response has been inadequate. A sea change in mental health is needed. Stigma and discrimination need to be replaced with hope, acceptance and inclusion in the community. In addition, services, policies and laws in the area of mental health need to reflect a person-centered, rights-based, holistic approach.

WHO is pleased to announce that its innovative **QualityRights e-training programme** to transform attitudes and practices in mental health will be launched globally reaching all people in all countries. The e-training is a key tool for tackling stigma and discrimination and promoting mental health, recovery and community inclusion. It offers the opportunity for hundreds of thousands of people to also learn how to look after their own mental health, how to support others and how to build responsive mental health services. In doing so, the world will be on a better path to achieving good mental health outcomes. This global launch and rollout has an ambitious target – 1 million learners to have completed the e-training by the end of 2024.

**Join us on 12 April at 15.00 CET** to learn more about the QualityRights e-training and its strategic rollout over the next 3 years. You will hear from high level policy-makers and thought leaders in governments, UN agencies, humanitarian agencies and civil society about their plans to implement the e-training. Through personal testimonies you will also hear how the programme has already positively impacted the personal and professional lives of those who have completed it.

The launch event will include interpretation in **Arabic, Chinese, French, Russian and Spanish**. **International signing and captioning** will also be available.

Please register now for the 12 April launch event here:

**Subject: Gratitude towards giving an opportunity of hands on training**

Sir,

We are grateful to you for giving a golden opportunity to our last year banking and finance students of hands on training in the various branches of your bank in Pune city during **12<sup>th</sup> Nov to 12<sup>th</sup> Dec 2019** at morning and evening batches.

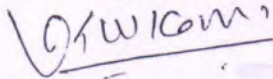

We are thankful to the management of your bank which has continuously supported to our college from last nine years. In the coming academic year 2019-20, we are completing ten years of academic association with your bank.

As usual the staff of head office and the bank managers and the staff of the concerned branches have given their valuable time and support to our future bankers to learn the practical application of the subject. Mr. Sandeep Waikar Branch Manager Laxmi Road has given very valuable suggestion to make this training program more professional i.e to give dress code to the trainee participants during the training so that it will give more professional look and identity to the students. So we give special thanks to Mr. Sandeep Waikar sir also for their inputs. We also give special thanks to Mrs. Shephali Samak madam for excellent support to make the nine years of training successful.

In the academic year 2018- 19 , **31 students got the excellent remark 28 students got satisfactory remark and 01 student got average** remark for their performance during hands on training.

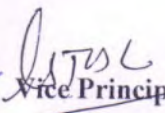

Indeed this training program has enriched their knowledge regarding operational banking and we are sure that it will improve their employability skills.

We are highly obliged for such a wonderful '**EDUCATION AND INDUSTRY INTERFACE**'.

Our Bank Mitra platform got the permission to organize 'Coming new year 2020 celebration with the grandparents' of your retirement home which performs noble work in the society.

We are extremely thankful to you for giving such an opportunity to serve for the grandparents. Our students performed 'Street play on banking support to the senior citizens' and cultural program for grandparents on the occasion of New Year celebration. It was our pleasure that our Future Banker's Forum's Bank Mitra displayed our first poster on senior citizen banking support in your retirement home that would be beneficial to make them aware about the special attention given to the senior citizen comfortable banking by Reserve Bank of India in 2017, 9<sup>th</sup> November. Thank you for accepting our small support in the form of rice of 72 kg, dal ½ kg and 10 liter sunflower oil collected by our forum volunteers in the college campus.

Thank you so much for the wonderful experience and blessing from our grandparents to our youth.

**Subject: Gratitude for your expertise**

Dear Sir,

Faculty of Commerce of our college had active Banking Club from 2014-15 to 2017-18 under which various activities were organized to meet the requirements of banking sector. From the academic year 2018-19 we have formed Future Banker's Forum by taking into consideration the upcoming challenges in the Indian Banking Industry. The objective of this forum is...

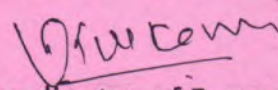

1. To make the students aware about the challenges.
2. To impart skills and values to make our banking system more sound.
3. To encourage them towards career in financial sector.
4. To ensure financial literacy amongst them.

On the day of inauguration we had decided to design the blog through which our students can enrich themselves and share the knowledge in banking. You have shown keen interest in giving this task of designing the blog to your UG students as their project. The PG students under your guidance has supported us in designing the rules for blog writing and commenting.

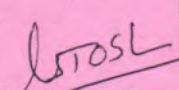

We are extremely thankful for sharing your expertise and time for completing the task of developing blog of our forum. It was a fantastic experience of interdisciplinary activity of our faculty in collaboration with your department.

Vaishnavi Milind Kulkarni, Founder Member - Future Banker's Forum, CA student

During first year of college life I got awarded for the very first time with first rank for participating in poster competition arranged by our banking forum. That was the drastic change happened in my life for career development. I learnt a lot from this forum and could decide to groom myself in various ways. Because of this I got a vision for the career and motivation for how to achieve our aim.

It is really proud journey from since the forum established because here we are able to create things forever which may be referred or used by others for their development. This could help others for designing of logo, finding members, creating tag line, printing T-shirts, deciding batches, poster making activity, forum inauguration event, program arrangement, competition arrangement and active participation in various competitions.

I would like to share a special moment which happened on occasion of banking day celebration. On this day, Mrs. Vijayalaxmi Kulkarni our teacher and mentor, instructed us to find any date in a year on which we can memorize or celebrate as “Revolution Day in Banking”. We appreciated her idea and started working on it. I started finding the books from MPSC and UPSC books and at the end I got a date 11 August 1943 when let Mr. C. D. Deshmukh became the first Indian RBI Governor. It was the proud moment for all of us when Mr. C. D. Deshmukh became the first Indian RBI Governor. When I shared this to Mrs. Vijayalaxmi she was very happy about this and told me to freeze this date for banking day celebration.

Last but not the least forum gave me important thought forever -

I Rudolph Dsilva a student, who is in the Future Bankers Forum, today would like to share my experience and my journey which I have had till date with the forum. Firstly, I would like to start by saying that this forum has helped me improve and gain a lot of practical knowledge in the field of banking. The teacher's in charge of the Forum have provided me with great opportunities which not only helps us grow as better bankers but even become better human beings. There was an event which was organized by the forum where we went to an old age house and performed various acts such as dance, singing, and stand-up comedy for the senior citizens, this event was such a beautiful experience because we learned the value of life and how important it is to help people and do good for the society. The Future Bankers Forum even provided me with an internship this year in Janata Sahakari Bank which helped me gain a lot of practical knowledge and all the important skills to become a good banker. The banking forum provides us all the important resources and skills which are very important for the growth and improvement of a banker. Later on, we even had live sessions in which really renowned bank managers came forward and interacted with us regarding many important points with banking and even told us the real picture of banking in today's world, all this information has helped us gain a lot of information about the job opportunities, how a bank works and even what are the pros and cons of becoming a banker.

My last words about The Future Bankers Forum are that, this forum has been the ray of light to all the students who want to pursue their career in banking. There have even been small points like group discussion, planning and organizing which has even helped us improve are skills not only in banking but also in other fields but all this would had not been possible without the efforts which the college takes and especially the teachers of Banking and Finance who have been the main reason for the success of this forum. The Future Bankers Forum has been the backbone of our banking career and has provided us with information which no other material can provide us; it has even helped us polish ourselves in becoming the best version of ourselves.

It's my pleasure that I was a part of our very own future banker forum. In my first year of BCOM FBF was named 'banking club' after the year my mentor Kulkarni madam came up with an idea that banking club should be targeted one step ahead and the process began. It was not just the change of name but more than that. 11<sup>th</sup> August 2018 was the day we started with our new upgraded version. Inauguration program was one of the memorable moment in college we were ready with our team, forum's logo, forum's tagline, forum's t-shirt, banking kit with was full of very banking instruments and most importantly our forum's pledge which was written under the guidance of our very own Mr. Bipin Deokar sir. I still remember our principal sir told us that "This Inauguration program should not be just an event but it should be the process" We had determined to march towards bringing change in the vision. And after inauguration program we started working on our FBF blog and we successfully launched our forum's blogging platform. Senior citizens banking awareness program is arranged every on 30<sup>th</sup> Dec. Even school students are made aware of about the importance of financial literacy. FBF not only make us to learn and practice about banking, insurance and stock market but also tries to change the personality of students. FBF had arranged around 10 to 12 awareness program, events, workshops, competitions and many more. Even in Pandemic our forum was virtually active with its competitions and awareness program and most important day which we can never miss out our 'banking day' was celebrated virtually. Even the competitions for FBF pride was arranged online.

I am feeling very much lucky that I was the part of founder team of future banker forum and first representative of our forum. My decision-making skill, communication skill and coordinating skill have improved a lot.

**It is rightly said that "Leaders are made not born". FBF nurtured all leadership qualities in me and I shall always remain obliged to FBF.**

प्रति,

आ: प्राचार्य सर,  
मॉडर्न कला, विज्ञान आणि वाणिज्य  
महाविद्यालय गणेशखिंड पुणे - 16.

मी मंगेश कुमठारकर कॉलेज M. Com च्या प्रथम वर्षात शिकत आहे. मी रा. आल्सांगवी, ना. चाकुर, जि. ठाकुर येथून पुण्यात उच्च शिक्षण घेण्यासाठी आलो आहे.

मॉडर्न महाविद्यालयात प्रथम वर्ष B. Com या वर्षात 2018-19 या वर्षी प्रवेश घेतला. होता. माझा आवडता विषय बँकिंग डॉट फायनान्स हा होता आणि आवडी आहे. मला स्वतः जवळीक गोष्टी शिकण्याची आवड होती. मी महाविद्यालयात नविक व पूणेही माझ्यासाठी जवे होते. मित्र-मैत्रीणी जवळच्या ल्यामुळे संवाद साधण्याचा तर प्रश्नच नव्हता परंतु मी Future Banking Forum मध्ये रूग्ण शाल्यागंतर मला एक नवसंजिवी मिळाली.

मॉडर्न महाविद्यालयामध्ये 11 ऑगस्ट 2018 पुर्वी Banking Club या नावाने होता. आपले मार्गदर्शक, शिक्षक व विद्यार्थी यांनी या वर्षात गाव बँकिंग Future Banking for forum ठरवले तेव्हा त्यात माझा सहभाग होता. व तेव्हापासून 11 ऑगस्ट 6 बँकिंग डे 9 म्हणून साजरा केला जातो. 11 ऑगस्टचे आपली एक महत्त्व म्हणजे भारतभर पाहिले गगारिड RBI चे गवर्नर C.D. देशमुख सर या दिवशी रूग्ण साळे.

FBI मध्ये जवळीक कार्यक्रम व्हायचे तेथे अनेकांशी भेटही होतु लागल्या. सर्वजण एकत्र बसून FBI च्या विविध कार्यक्रमाचे नियोजन व व्यवस्थापन तो कार्यक्रम कशाशिताने योज्यप्रकारे पार पडून यावर चर्चा करावची. त्यामुळे माझ्यात बोलण्याचा आत्मविश्वास निर्माण झाला.

१/११

FBI मध्ये जवनविम कार्यक्रम होत होते व माझा सहभाग वाडू लागला व मी व्यवस्थापन करावे असे वाडू लागले, ती माझी इच्छा आ. कुठकणी मॅडमनी माझ्यावर व्यवस्थापकी जबाबदारी देऊन केली. व माझी जबाबदारी मी योग्य प्रकारे पार पाडू लागले. त्यामुळे येवत्या प्रत्येक कार्यक्रमात मी हा हिस्सिशीवे भाग घेऊ लागले. FBI हा झालेले प्रमुख शक्तिची त्याचा पाहूनवार, स्वागत, हे काम मी स्वतः पाडू लागले. त्यामुळे प्रत्येक जवनिम कार्यक्रमात मला जवनविम शिष्टियेला घेऊ लागले व माझे व्यक्तिगत आपोआपच वाडू लागले.

FBI मूळे माझ्या आयुष्यातील वास्तविक योग्य हिस्से जाडू लागली, यामुळे मी माझ्या आयुष्याचे नियोजन करून येवत्या ताग-तणावची मात करव्याची व त्यातुन बरे पडव्याचे चास्य निर्माण झाले.

माझे 3 वर्षे कधी संपले समजतच नाही. मी केलेल्या FBI चा सहभाग घेतले, व केलेल्या कामची पावती मला FBI 'Pride of FBI' हा श्रवाड मिळाल्यावर मिळाली. परंतु काम इथेच संपले नाही तर जाणकी जबाबदारी वाढली. मी मागे वळून पाहिल्यावर 'काय होतास तू काय काय साकस तू' या शोधी जावतात.

मला FBI मध्ये असताना प्रा. अराल सर, डप. प्राचार्य जोशी मॅडम व माझ्या गुरु मार्गदर्शक कुठकणी मॅडम व गिथारे मॅडम यांचे मोलचे मार्गदर्शन मिळाले त्यामुळे मी त्याचा खरेच आभारी असेल.
