Placement Cell Report for Aakanksha Magazine(2019-20)

Placement Mechanism

The Placement cell of the college organizes various activities in order to enhance the employment opportunities for the UG and PG students. These include Conducting aptitude tests, seminars, Group discussions, guest lecturers by Industrial experts and Soft Skill workshop. Along with these pre-placement activities every year the cell is organizing a Job Fair , which is open to all and gives opportunities to our students for employment in different companies under one roof.

The Placement Cell of the college takes efforts to call the companies for campus placement. A communication is through HR Group by telephonic contact, mail or visit to company. The student database is forwarded to the Industry or company as per their requirement. Some of them provide Industrial training and campus recruitment. As per their policy they short list the student. After finalization of date and time, the Company conducts campus drive in the college premises or they call the students at their premises. Those students who are through the aptitude test they are qualified for next round like technical and HR interview. Once a student is placed in one company then he/ she is not allowed for the other companies drive.

Activities Conducted During This Academic Year :

In this academic year various placement related activities were conducted in the college to make student realize the industrial environment and the skillset they need to have in order to be employable. Observing the demand for the B.A. and B.Com students , more focus was given to B.A and B.Com students who are mostly required in Banking and Service Industries. It is observed that most of the students in these courses lack in Communication and Presentation skills. Due to this fact they are low in confidence and are unfit to get a job. There was a need to make them aware about the opportunities in specific Fields. Placement cell members decided to introduce the students to industry demand and to make them aware about the expectations of industry from the employees.

As a part of the pre-placement activities a students from B.Com, B.Sc(Computer Science and BCA(Science) attended a one day Seminar on " Opportunities in the Field of Insurance" at National Insurance Academy, Baner, Pune on 7th December 2019. More than 150 students visited the Academy along with the Visitor of the college Dr. Praksh Dixit, Principal Dr. Sanjay Kharat, Placement head Dr. Varsha Bapat and other teaching faculties including Mrs. Ranjana Shevkar, Mrs. Shradhha Rahane, Mrs. Sonali Powar, Mr.Niket Tajane, Ms. Deepali Tamhane and Dr. Anand patil. **Job Fair** was not organized this year due to the COVID 19 calamity.
