Progressive Education Society's Modern College of Arts, Science and Commerce, Ganeshkhind, Pune established in 1992 offer courses under 21 undergraduate, 12 post graduate and some Ph. D. programs of Savitribai Phule Pune University, Pune in various classical and interdisciplinary courses in Humanities, Social Sciences, Commerce, Life Sciences, Electronics, Natural sciences, Statistics and Mathematics, to name a few, with students from 18 countries and 24 Indian states. The college is also running UGC funded Bachelor of Vocation in Food Processing and Technology course and different Career Oriented Courses. The college has been awarded with highly prestigious Star Status from the Department of Biotechnology (DBT), Government of India in 2017, being the first college under SP Pune University to get this coveted status. The college has been re-accredited with "A" Grade by NAAC, Bangalore. The college is supported under FIST program of the Department of Science and Technology (DST), Government of India. The college has received different coveted awards instituted by S.P. Pune University viz. Best College Award, Best Principal Award, Best College Award for Student Welfare Board and Program Officer of the Board Award, Best NSS Unit and Program Officer Award, Best College Magazine in District and at University level as also Jagannath Rathi Award for Best College. Notably, the Maharashtra Energy Development Agency (MEDA) has honored us with a State level award for excellence in Energy Conservation and Management recognizing us as a Green Educational Institute. We have ITC enabled classrooms, well equipped Laboratories, hi-tech Computer Laboratories, and well-stocked Library along with a Digital Library with internet facility, a computerized Administrative Office. Such state of the art infrastructure enables the college to provide learner centric environment.
