Placement Cell

❖ **Placement activity 2011-12**

- **Mr Satish Ambike (Co – ordinator)**

Objectives of Placement Cell

1. To place the students at their areas of interest in organizations/institutes.
2. To guide the students for the development of soft skills.
3. To develop a bridge between college and industries.
4. To increase awareness amongst current students about placement opportunities in industries and various skill-sets required.

❖ **Placement Mechanism**

College has Placement cell for UG and PG students. We conduct number of activities under the placement cell like Conducting aptitude tests, seminars, Group discussions, guest lecturer and Soft Skill workshop.

Our placement committee takes efforts to call the companies for campus placement. We are communicating with HR person through telephonic contact, mail or visit to company. If they are ready to provide Industrial training and campus recruitment then we send the students data (Excel

sheet format). As per their policy they are short list the student. We both finalize the date and time, then Company conducts campus drive in the college or they may call the students in their premises. Those students clear aptitude test they are qualified for next round like technical and HR interview. Once student placed then he/ she is not allowed for the other companies drive.
