

PLACEMENT CELL ACTIVITIES FOR THE YEAR 2013-14

Placement Cell Members :

1. Mrs. Varsha M. Bapat (Chairperson)
2. Mr. Satish Ambike
3. Mr. Avinash Kharat
4. Mr. Sandeep Sanap
5. Mrs. Ashwini Satbhai

Objectives of Placement Cell

- ❖ **To place the students at their areas of interest in organizations/institutes.**
- ❖ **To guide the students for the development of soft skills.**
- ❖ **To develop a bridge between college and industries.**
- ❖ **To increase awareness amongst current students about placement opportunities in industries and various skill-sets required.**
- ❖ **To determine opportunities for Arts and Commerce UG students in Service and Banking Industries.**

1. Guidance is given to the students for the preparation of Resume and for facing Personal interviews, Group Discussions .
2. Major focus is given on their presentation skills at the time of seminars and mock interviews.

3. Additional activities such as the organization of Guest lectures and interactive sessions on variety of latest topics by experts from renowned companies and alumni are undertaken. Alumni extend their help by conveying the opportunities in their respective organizations and also spend their valuable time for **Interactive Sessions** organized by the placement cell for the current students.
4. Counseling of the students for approaching various industries and institutes is done and a ready list of the same is provided to them.
5. They are also guided to analyze their own potential and select a suitable profile.
6. Many of the companies approach us or we approach them for conducting **campus interviews** at our college. We communicate with the companies via telephone, email and visits to the company with proper appointment. The students are recommended to the companies depending on the job requirements.

Placement Mechanism

College has Placement cell for UG and PG students. Variety of activities are arranged under the placement cell like Conducting aptitude tests, seminars, Group discussions, guest lecturers by Industrial experts and Soft Skill workshop.

The placement committee takes efforts to call the companies for campus placement. A communication is through HR Group by telephonic contact, mail or visit to company. The student database is forwarded to the Industry or company as per their requirement. Some of them provide Industrial training and campus recruitment. As per their policy they short list the student. After finalization of date and time, the Company conducts campus drive in the college premises or they call the students at their premises. Those students who are through the aptitude test they are qualified for next round like technical and HR interview. Once a student is placed in one company then he/ she is not allowed for the other companies drive.

Activities Conducted During This Academic Year :

In this academic year many activities were conducted in the college to make student realize the need for the industry and the skillset they need to have with them in order

to be employable. More active effort was given to B.A and B.Com students who are mostly required in Banking and Service Industry. It is observed that most of the students in these courses lack in Communication and Presentation skills. Due to this fact they are low in confidence and are unfit to get a job.

This academic year one more major activity was a Training Program for SC/ST candidates from BA,B.Com stream conducted by **Tata Consultancy Services-BPS** There were about 15 students who participated in this Pre-Placement Training program of 100 Hrs which was offered to the students free of cost. In this training program various issues for facing the interview were covered by Ms. Komal Bhavanani (**Trainer -TCS**). These students along with other 30 students will now face the placement drive for TCS-BPS. Mrs. Manisha Bele and Mrs. Prerana Suru from commerce department had coordinated this Session.

Labour-Net in association with Godrej conducted a One Month Training Program in “**Sales Training**” for Final year B.Com students with a nominal fees. In this program they covered various aspects of Sales and marketing. Group discussions and mock Sales practice sessions were conducted by the students. The trainers gave appropriate suggestions to improvement.

Placement Cell is also conducting activities in association with the **Alumni Association** of the College. Alumni students of the college are providing major support in searching Job opportunities for the present students. Also they are getting various Industry components in the college for grooming the students and provide opportunities for training them for entrepreneurship. This year **Lee’s Spa and Beauty Clinic** has selected 21 Girl students for training them in Beauty Treatments costing around [Rs.@10,000/-](#) per head which is offered free of cost to these selected students. The Course has commenced from 24th February 2014. After completion of the course these students will be in a position to get opportunities in different Skin and Beauty Clinics.

Following are some of the activities which were open to all the students.

Placement activities at BCA/MCA (Com) Department:

Department of BCA /MCA(Com) is undertaking different activities like guest lectures, mock interviews, mock group discussions, Presentations and Aptitude test to enhance Employability among the students. In Academic year 2013-14 department has undertaken following activities:

1. For smooth conduction of placement activity at department level, the responsibilities are allocated to four teachers.(2 each for BCA and MCA(Com))
2. Placement Brochure of MCA(Com)-III student was prepared and distributed in IT industry.
3. Two guest Lectures were organized.
4. Four aptitude Tests were conducted.
5. Database of TYBCA and MCA (Com)-III Students has been developed.
6. The information regarding placement drives, notification of vacancies were put on Notice boards, circulated in classrooms and sent via email on the students email IDs.
7. Departmental staff members are continuously interacting with students about resume design, Interview techniques, personality development, technical competencies and soft skill development required to get placed in IT industry.

Department of Chemistry

Coordinator: Mrs. Revati Nagarkar

Department of Chemistry is actively conducting placement activity every year successfully.

Students are motivated for interviews by arranging various workshop and guest lectures. This year Chemistry department had arranged a two day workshop on “ Developing Technical Skills for Placement” on 15th and 16th Jan, 2014, which helped students to built and boost confidence. Departmental alumni often visit to share their corporate experiences and guide students for interviews. Last year students Priti Tarkase(e solve), Ajay Diwane (Finolex Ind), pankaj Chaudhary (Lupin Ind.) Namita More, Madhukar Said (NCL) had come to share working experiences with students.

Various renowned industries had visited campus and Three students from current year batch are placed and we have communicated with five more which are expected to visit. The HR from companies commentated about student’s good theoretical and practical knowledge.
